

KIDNEY WALK TEAM CHALLENGE

**Please join in the fun to benefit the
NKFK's Kidney Walk on
September 19, 2009**

What **is the Team Challenge?** The Team Challenge is a competition between Walk teams to promote the Kidney Walk on September 19. The goal of the competition is for each team to try to raise the most money for the National Kidney Foundation of Kentucky. Five weeks before the Kidney Walk, teams will be updated each week on how much money each team has raised. A winning team will be announced every week and will receive a group prize!

Why **participate in the Team Challenge?** This is your chance to make a difference for thousands of people who are currently on dialysis or waiting for a life-saving organ transplant. Also, help your team win a fabulous prize!

How **does the Team Challenge work?** The NKFK will tally the amount raised for each team on a weekly basis. Donations must be received in the office by Friday at 2pm each week or they will not count towards the contest. The winning team will be announced the following week. The first Team Challenge winner will be announced on Monday, August 17th!

Good luck teams!
