

TEAM CAPTAIN CHECKLIST

REGISTER! Go to www.kidneywalk.org to set up your team.

RECRUIT! Send out emails using the on-line fundraising tool CONVIO (www.kidneywalk.org) encouraging others to join you as team members. Talk to friends, family, neighbors, class mates and co-workers to spread the word.

REMIND! Stay on top of your team by reminding them to turn in any money collected to the NKFK office. This allows teams to properly compete in the Team Challenge for the 5 weeks prior to the Walk.

REFER! Encourage teammates to participate in the fundraising ideas you hear about. Promote fundraising by focusing on the great prize incentives the NKF offers. Feel free to refer them to the NKFK for more ideas.

RESOURCES! Take advantage of the resources around you. Create themes for your team and fun ideas to keep them motivated.

REMEMBER! This is all for a great cause and is a non-competitive event, so remember to have fun!

Thank you for all that you do for the
NKF and those we support.
